

The Gifts of the Enneagram

A Retreat for Men

Sponsored by St. Thomas Men and Illuman of Illinois

January 26th (5PM) – 28th (Noon), 2024

THE ENNEAGRAM

“The Enneagram is a dynamic system for self-knowledge and spiritual transformation. It is a wonderful tool that can help us see and let go of the false self—which masks the image of God within us—and allow us to live from our True Self—the unique manifestation of Love that God intends us to be.” ~ Fr. Richard Rohr

We recommend participants take an online assessment and read the descriptions of each Enneagram type prior to the attending the retreat.

Free basic version of the Enneagram assessment tool may be found at: <http://www.9types.com/rheti/index.php>. For a more complete assessment and report, <https://www.enneagraminstitute.com/rheti/> \$12.

The Gifts of the Enneagram Retreat will provide numerous opportunities for exploration, whether you are new to the Enneagram or have been using it as a tool in your spiritual practice for years. Foundational information will be shared for each type to set the stage for deeper conversations. All that is required for participation is a willingness to be present in your body, have a curious mind and to bring an open heart.

*This weekend retreat will provide participants with opportunities to explore a mature spirituality through a deepening into the wisdom of the Enneagram. Through teachings and experiential opportunities, participants will be invited to explore the path to self-healing and wholeness using the Enneagram as a map and guide. **Sign up early - Open to All Men!***

FACILITATOR: Brad Pickel, has been studying the Enneagram for many years and is a passionate communicator of its wisdom in both group and one-on-one sessions. Having completed the Enneagram Institute trainings, Brad has served for many years as Administrator for Illuman, an international organization helping men in their quest of becoming mature, spiritually grounded, loving, nurturing and generative men, grounded into the work of Fr. Richard Rohr.
